givejedahand The #dashing #Vina #Drugs #delivery #man #sporting #facialhair for #Movember - which hasn't changed the #face of #menshealth - just #his. #CAMH and #CAMHFOUNDATION are in on this as they are on every #moneymaker #scam not really intended to #raiseawareness of #MentalHealth but to distract us from the way #psychiatry is selling everyone down the river especially at #Lansdowne #QueenWest in the #streetsoftoronto for #streetphotography. The #greatest #danger to Men's Health - as to everyone else's - is #CAMH itself. (PS The #Freedelivery looks like he's late - with somebody's #Viagra!)
